5 Why's: Please answer the following questions in a logical and straightforward way.	
Question 1: Why did the issue occur?	
Question 2: Why did the answer to question 1 occur?	
Question 3: Why did the answer to question 3 occur?	
Question 4: Why did the answer to question 4 occur?	
Question 5: Why did the answer to question 4 occur?	
Given the answer to question 5, what can we now conclude the root cause of the nonconformity to be?	
Are there any actions which can be taken to prevent the root cause from occurring again?
